

# QUICK DRAIN

Quick drain for standard clean out door

Quick drain for seal kit

## DESCRIPTION:

**QUICK DRAIN.** Quick drain will allow you to drain the Plasticolor hopper with minimal material loss and it facilitates fast material and screw changes. The Quick drain tube has a O.D of 2.5" so it can easily be extended using standard flexible tubing.

The Quick drain slide gate assembly fits all Plasticolor 2000 and 3000 manufactured after 1993.
